

TO: Varsity Basketball Coaches

FROM: Marcella Dobbs East Bay Basketball
Officials Association

RE: Ding List

The East Bay Basketball Officials Association offers Varsity coaches the opportunity to "ding" up to three officials. Please follow the procedure outlined below.

You will need to go to www.RefTek.net and you will find last year's list of basketball officials. A large number are not yet rated to officiate varsity-level games. Please list the reason(s) for your request. That reason (and nothing else, not the name of the coach or the school) will become part of the official's permanent record which we keep on file for three years. We ask that you get your principal's signature so that he/she is aware of and supports your actions. If your ding request reaches us by Friday, November 5, it will be effective for non-league contests. If we receive the request after that date, it will only be effective for league contests. We will not accept dings after December 3; however, we will make every effort to resolve "personality conflicts" that occur during the season.

Please do not assign the following officials to out games:

1. _____ Reason _____

2. _____ Reason _____

3. _____ Reason _____

(Signature of coach)

(School)

(Signature of Principal)
